CANADIAN HEMP PROTEIN POWDER AND FLOUR

GOOD SOURCE OF PROTEIN, AMINO ACIDS, VITAMINS AND MINERALS

A 100% plant based alternative to whey protein for people who participate in sports, as well as an irreplaceable source of protein for vegans and those who eat raw foods.

Advantages

- Smooth, velvety texture
- Contributes to the growth and preservation of muscle mass, maintenance of normal bones and normal blood pressure
- Low in sugar, very low in sodium/salt, and high in fibre, protein, vitamin D, vitamin E, and is a source of omega-3 fatty acids as well as being high in unsaturated fat
- Contains 50-60% hemp protein

- Hemp flour is a flavourful alternative for people with dietary sensitivities

Applications

Sports nutrition, Vegan health, baked goods cereal bars and snacks

RANGE OF BRANCHED CHAIN AMINO ACIDS (BCAA)

MOST SOLUBLE ON THE MARKET AND VEGAN

A plant based group of three essential amino acids (which the body cannot make) with a molecular structure branching to one side; Leucine, isoleucine and valine, with a ratio of 2:1:1.

Advantages

- Reduces fatigue and tiredness during exercise
- Boosts muscle gain and improves recovery after exercise
- Dissolves faster than other BCAAs
- Clear solution transmittance $\geq 95\%$
- Delicious taste and available in multiple flavours
- White and shining colour

Applications

Sports drinks, solid instant formulas, functional foods

SEA BUCKTHORN POWDER ("HOLY FRUIT")

ORGANIC COMPREHENSIVE TREATMENT FOR METABOLIC SYNDROME

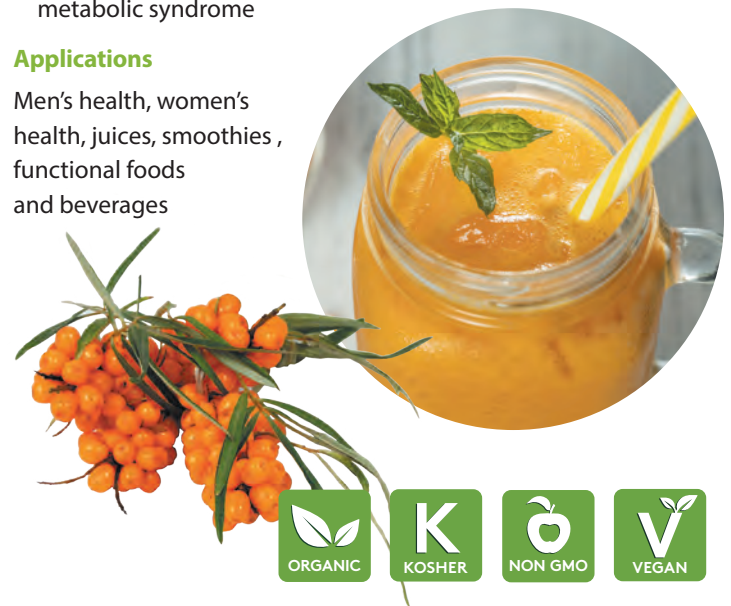

Sea Buckthorn contains the highest known concentration of Omega 7.

Advantages

- Found in centuries-old medicinal texts in Tibet and China. It was used there to treat coughing, digestive problems, skin issues, wounds and burns, and even depression in some cases
- Contain the nutritional content of omega 3 6 7 9, vitamins, and antioxidants
- Improves cardiovascular health by reducing the risk of metabolic syndrome

Applications

Men's health, women's health, juices, smoothies, functional foods and beverages
