

# Trans Chem is Australia's leading importer and distributor of raw materials to the pharmaceutical, nutraceutical and veterinary markets.

Trans Chem has embarked on an initiative to grow our already extensive range of raw materials that we supply to the Australian market. Returning recently from a **major European raw materials trade show** (CPHl in Paris), we have secured 14 new exclusive supply arrangements. It has immediately given Australia access to **177 new raw materials** with many more to come.

## API – Active Ingredients

Albendazole  
Allopurinol  
Amoxicillin Trihydrate  
Bisoprolol fumarate  
Calcium Folate  
Ceftiofur HCL  
Cephapirin Benzathine  
Chlortetracycline HCL  
Clorsulon  
Closantel  
Deslorelin Acetate  
Desmopressin Base / Acetate  
Detomidine HCL  
Diclofenac sodium  
Domperidone  
Doramectin  
Enrofloxacin Base  
Eprinomectin  
Erythromycin Thiocyanate  
Esomeprazole Sodium

Lidocaine Base / HCL  
Mebendazole  
Metronidazole  
Milbemycin Oxime  
Montelukast Sodium  
Moxidectin  
Neomycin Sulphate  
Niclosamide  
Omeprazole Base / Sodium  
Oxyclozanide  
Oxytetracycline HCL  
Oxytocin  
Phenylbutazone  
Praziquantel  
Triclabendazole  
Triclosan  
Valproic Acid  
Vitamin B2-5-Phosphate Sodium

## COSMETIC

Allantoin  
Arbutin  
Bispyrithione  
Butyl Ester of PVM/MA Copolymer

C16~18 polyoxyethylene ether/Ceteareth  
Calcium/sodium PVM/MA Copolymer  
Caprylhydroxamic Acid  
Cetrimonium Chloride  
Cetyl Stearyl Alcohol /Cetearyl alcohol  
Cinnamon oil  
Clove oil  
Cocamidopropyl Betaine/CAPB  
Coconut Diethanolamide  
Coenzyme Q10 (Ubidecarenone)  
Dipotassium Glycyrhetate  
Ethoxylated hydrogenated castor oil  
Ethyl Ester of PVM/MA Copolymer  
Eucalyptus oil  
Glycerol monostearate  
Glycyrhetic acid  
Hyaluronic Acid  
Lemon oil  
Lime oil  
Methyl Gluceth-20  
Origanum oil  
Patchouli oil  
PEG distearate

PEG monolaurate  
PEG monostearate  
PEG-120 Methyl Glucose Dioleate  
Peppermint oil  
Pine oil  
Polyethylene glycol (PEG 200-35000)  
Polyoxyethylene laurylamine ether  
Polyquaternium-7  
Polyquaternium-10  
Polyquaternium-11  
Polyquaternium-22  
Polyquaternium-28  
Propylene glycol monolaurate  
Propylene glycol monostearate  
Reduced coenzyme Q10(Ubiquinol)  
Sodium Lauroyl Sarcosinate  
Sodium Monofluorophosphate  
Spearmint oil  
Stearyl glyceryl ether

## EXCIPIENT

2-Pyrrolidone  
Carbomer  
Carboxy Methyl Cellulose Sodium (CMC)  
Cetyl Stearyl Alcohol /Cetearyl alcohol  
Ethyl Cellulose (EC)  
Hydroxy Ethyl Cellulose (HEC)  
Hydroxy Propyl Cellulose (HPC)  
Hydroxy Propyl Methyl Cellulose (HPMC)  
Hydroxy Propyl Methyl Cellulose Phthalate (HPMCP)  
Hydroxypropyl-β-Cyclodextrin  
Hypromellose Acetate Succinate(HPMCAS)  
Lanolin anhydrous  
Magnesium Stearate  
Methacrylic Acid Copolymer Type A  
Methyl Cellulose (MC)  
n-Methyl 2- Pyrrolidone  
PEG-75 Lanolin /Lanolin 75EO  
(Water Soluble Lanolin)  
Polyethylene glycol (PEG 200-35000)  
Polysorbate 20 (Tween20)  
Polysorbate 40 (Tween40)  
Polysorbate 60 (Tween60)  
Polysorbate 80 (Tween 80)  
Pregelatinized Starch (Starch 1500)  
Copolydione PVP/VA37E  
Copolydione PVP/VA64 Powder  
Copolydione PVP/VA64E  
Copolydione PVP/VA64W  
Copolydione PVP/VA73E  
Copolydione PVP/VA73W  
Povidone PVP K12  
Povidone PVP K15

Povidone PVP K17  
Povidone PVP K25  
Povidone PVP K30  
Povidone PVP K90  
PVP-P Crospovidone  
Silicon Dioxide  
Sodium Starch Glycolate(SSG)  
Sodium Stearyl Fumerate  
β-Cyclodextrin  
Xanthan Gum

## HERBAL

Athadoda vasica (Vasaka) Extract  
Andrographis paniculata (Kalmegh) Extract  
Asparagus racemosus (Shatawari) Extract  
Azadirachta indica (Neem) Extract  
Bacopa monnieri (Brahmi) Extract  
Boerhaavia diffusa (Punarnava) Extract  
Boswellia serrata (Salai Guggal) Extract  
Camellia sinensis (Green Tea) Extract  
Capsaicin  
Capsicum oleoresin  
Cassia angustifolia (Senna) Extract  
Centella asiatica (Mandukparni) Extract  
Coffea arabica (Green Coffee Bean) Extract  
Coleus forskohlii Extract  
Commiphora mukul (Guggul) Extract  
Curcuma longa Extract  
Curcuminoids 95%  
Eugenia jambolana (Jamun) Extract  
Garcinia cambogia (Vilayati Imlil) Extract  
Garcinia mangostana Extract  
Glycyrrhiza glabra (Mulethi) Extract  
Grape Seed P.E  
Gymnema sylvestre (Gurmar) Extract  
Momordica charantia (Karela) Extract  
Morinda citrifolia (Noni) Extract  
Mucuna pruriens (Kaunch) Extract  
Ocimum sanctum (Tulsi) Extract  
Phaseolus vulgaris (White Kidney Bean) Extract  
Phyllanthus amarus (Bhumi amla) Extract  
Phyllanthus emblica (Amla) Extract  
Piper longum (Pipali) Extract  
Piper nigrum (Black Pepper) Extract  
Punica granatum (Pomegranate) Extract  
Resveratrol  
Rhodiola Rosea  
Sennosides (USP)  
Soybean Isoflavones P.E  
Stevioside  
Terminalia bellerica (Behada) Extract  
Terminalia chebula (Harad, Haritaki) Extract  
Terpineol  
Tribulus terrestris (Gokharu) Extract  
Trigonella foenum-graecum (Methi) Extract  
Withania somnifera (Ashwagandha) Extract  
Zingiber officinale (Ginger) Extract

Flunixin Meglumine  
Folinic Acid  
Gentamycin Sulphate  
Gonadorelin  
Heparin sodium  
Itraconazole  
Ivermectin  
Levamisole Base / HCL
